Dear Valued Members,

As we begin the new year, I want to express my immense gratitude for the trust you have placed in Fremont Federal Credit Union and the unwavering dedication displayed by our exceptional team.

Looking back on the challenges of 2023, especially the banking industry's stresses following the SVB bank crash, I am proud that our credit union not only survived but emerged even stronger. Our 2023 figures showcased membership growth, loan expansion, and remarkable returns on net assets and net income, which exceeded our highest expectations. We navigated these challenges while minimizing loan risk, solidifying our commitment to being a steadfast and stable financial institution devoted to enhancing the financial well-being of our members.

Innovation is the heartbeat of our endeavors. We introduced new mortgages, share certificates, and credit card offerings designed to enhance your financial journey. Our dedication to giving back is reflected in increased returns, higher savings dividends, and fortified community partnerships. Beyond offering competitive savings and loan rates, we implemented innovations to make banking more accessible, efficient, and secure for our members.

I am thrilled to share some exciting news from the National Credit Union Administration! We have received approval to expand our Field of Membership (FOM), a significant stride toward realizing our strategic plan. This expansion empowers us to reach and serve a broader demographic, including individuals living, worshiping, working, or attending school in Fulton, Hancock, Lucas, Ottawa, Seneca, Sandusky, and Wood Counties.

This new development will enable us to continue providing an exceptional financial experience to our current members while also expanding our reach to serve more individuals and businesses in the surrounding counties. This expansion marks a significant step towards creating a more interconnected and resilient credit union community. We are thrilled about this growth, and we look forward to welcoming new members to our Fremont Federal Credit Union family. Our unwavering commitment to providing outstanding service and meeting the diverse financial needs of our members remains at the forefront of everything we do. We are enthusiastic about helping our new members achieve their financial goals at every stage of their life.

As we step into 2024, rest assured that we are gearing up to provide you with more enhancements and offerings, simplifying your financial journey.

We extend heartfelt gratitude for being our most valuable asset and wish you and your loved ones a happy, healthy, and prosperous New Year.

Sincerely,

Nicholas Cray
President/CEO
