

MEMBER CONNECTION

“Committed To Excellence”

President's Letter

from Tony Camilleri

Strong roots are vital and basic to life. For an organism to flourish, it must be able to grow and adapt. Seventy years ago, our credit union was chartered for members to save, borrow and “grow” their lives. Recently, Fremont Federal Credit Union received permission from the National Credit Union Administration to offer membership in the Credit Union to anyone who lives, works, worships, attends school or volunteers in all of Sandusky and Ottawa and parts of Seneca and Wood Counties. With this new expansion it will allow many of your friends, relatives and co-workers to enjoy the same great Credit Union benefits and services you have enjoyed for many years. We're excited about our charter expansion and we are looking forward to continuing to serve our loyal Credit Union members and offering membership to new individuals and family members.

As Fremont Federal Credit Union grows, we will continue to focus our efforts on providing you with the financial products and services you need to make the most out of your hard-earned money with the personalized service and expert advice that will help you achieve your financial goals. Whether it's in person, online, or on the go with a mobile device, Fremont Federal Credit Union offers you convenient options that help make managing your money easier than ever.

Regardless of how much we grow, we still measure our success by helping one member at a time. We are your financial family who will always be there for you when you need us, for things like: your first car, your wedding, buying that home you fell in love with, a credit card, sending the kids to college, or planning a financially secure retirement. As part of the Fremont Federal Credit Union family, you can count on us for the help you need through all of life's events. Your continued support of the cooperative makes Fremont Federal Credit Union the financial institution of choice for people all over Sandusky and Ottawa and parts of Seneca & Wood Counties.

As a credit union, our commitment to you and to the communities we serve is to continue to provide you exceptional value, convenience, and the highest possible level of service each and every day. Thank you for choosing Fremont Federal Credit Union to be your trusted financial partner. Together, as a cooperative, we can make a difference in the lives of our families and the health of our communities.

April is Credit Union

Youth Month

ATTENTION: Youth and Teens

What kind of saver is your child? One who saves happily, or with a scowl? To find out, stop by one of our Fremont Federal Credit Union branches during National Credit Union Youth Month.

Every saver is unique, but most people who save regularly developed the habit early in life. Learning to delay gratification in order to save for long-term goals is a crucial life skill, and Fremont Federal Credit Union is committed to help our youngest members develop that skill. That's why we create programs and services designed specifically for young people. One of those is our Youth Month programming.

Dollar Dog and Cha-Ching Teen Club members, be sure to stop by your favorite Fremont Federal Credit Union office during Youth Week to make a deposit. That week, we will have fun giveaways and gifts. Kids, be sure to enter to win local and national prizes and cash!

If you don't have a Dollar Dog or Cha-Ching account yet, Youth Week is the perfect time to sign up! We'll have special gifts for new youth members.

By helping your child give a hoot about saving now, you'll help them soar when they're older.

Call 419-334-4434 or visit us online at www.fremontfcu.com to learn more.
