“Committed To Excellence”

President's Letter

from Tony Camilleri

Can you believe we
fun - and working
several months, in

are already halfway through the year? Time sure flies when you're having hard. Your credit union has been growing by leaps and bounds these past membership loans and services.

Our goal is to have Fremont Federal Credit Union become your one-stop financial service center. We want you to think of Fremont Federal Credit Union first when you need a mortgage, a loan or have some extra money to invest. Remember, doing business with your Credit Union benefits all members and enhances our ability to provide new services to all our members. I would encourage you to spread the word and invite all of your family, friends and neighbors to become members of FFCU as we are able to accept membership from anyone who lives, works, worships, volunteers or attends school in Sandusky, Ottawa and parts of Seneca and Wood Counties.

We take great pride in meeting the changing demands brought on with recent advances in technology, like smart phones. Therefore, we are proud to be working on several new products to be introduced to you soon: *Mobile Wallets with Apple Pay, Android Pay and Samsung Pay, Person to Person Transfer (P2P), Remote Deposit Capture and Picture Pay.* We continue to improve our list of services to benefit you and encourage you to take advantage of them, come to us for all your lending needs, and expect unparalleled service doing so.

And lastly, we are proud to announce that it has been approved by our Board of Directors to join Terra State Community College in building a credit union branch location inside their new student housing project. What exciting changes are happening for us within the next year! Continue to watch our website and Facebook page for more information on these upcoming services.

At FFCU, we offer very low loan rates, pay dividends on our checking accounts, and donate to numerous organizations in our local communities. Thank you to all the members, employees, and directors that make FFCU such a great place.
