Dear Valued Member,

I'm excited to share some great news: our West Branch has recently undergone a significant remodel, reaffirming our commitment to enhancing your banking experience. The updated branch features a modern design, advanced technology, and more comfortable spaces to better meet your financial needs. This renovation isn't just about a new look—it's about creating an environment that's more efficient and comfortable for you, our valued members.

As we head into the holiday season, we're rolling out special lending products to support your financial needs during this busy time. Our Skip-A-Payment promotion is back, giving you the flexibility to skip a loan payment and offering some extra financial breathing room when you need it most. Whether you're gearing up for holiday travel, gift shopping, or just preparing for seasonal expenses, Skip-A-Payment is designed to help you manage your finances with ease.

We're also introducing our Holiday Loan, tailored to provide the extra funds you might need during the holidays. With competitive rates and flexible terms, this loan is a smart way to ensure you can enjoy the season without overstressing your budget. And if credit cards are more your style, our Fremont Federal Credit Union cards offer great rates and rewards, making them an excellent choice for holiday shopping.

At Fremont Federal Credit Union, we deliver the best advice, best service, and best products to promote healthy financial living. I encourage you to stop by our newly remodeled West Branch to see the changes for yourself and chat with our expert Financial Service Associates (FSA) on how we can assist you this holiday season. We're here to help you achieve your financial goals, now and throughout the year.

Best regards,

Nick Cray
President/CEO
